Week 9

Principal's message

COVID19

We are now thankfully in Level 1 and things are returning to normal. For those that are still away from school it is now time to come back to school and get yourselves and your children back into school routines. It has been a long journey from the first days of Level 3 at 11:59pm Monday 27 April 2020 and then the lockdown of Level 4. It is time to celebrate our successes but to remain vigilant in our health practices. Well done everyone!

Soccer

Last weekend I had the privilege of watching the children from Lake Rerewhakaaitu play soccer against East Lakes in Rotorua. I was so impressed by our students who played with great determination and courage. Their sense of fair play and team work really stood out and was something that we should all be proud of. Great game team!!

Consultation

Thank you to all those that have contributed to our consultation process in reviewing our Charter. This input is critical to the school in why, how and what we do at Lake Rerewhakaaitu School. Please make sure you have your say in these consultation opportunities so we can deliver an education to your children that represents our community. Our next piece of the charter to have your say on is the Principles. Please read below the section from our current Charter and let me know any thoughts, ideas or concerns.

Lake Rerewhakaaitu Charter Principles

Our purpose is to ensure that:

- Students have every opportunity to develop a thirst for learning, a curiosity and passion about the world around them, an ability to relate effectively to others, and have opportunities to engage in hands-on opportunities and a rich range of experiences to explore their interests, develop their strengths and discover new capabilities.
- Students develop life long learning skills through the development of the Key Competencies of . managing self, thinking, relating to others, and participating and contributing. Learners have their identity, culture, language, talents and strengths recognised and affirmed through a curriculum that reflects New Zealand's bicultural heritage and multicultural society.
- Learner agency is developed. e.g. learners are actively involved in planning learning experiences, evaluating and reporting on the progress and next steps towards their educational goals - online and through regular parent conferences.
- We develop an understanding of our role as kaitiaki (guardian) and the concept of sustainability, not only in regard to the environment but all precious resources.

Interviews

Last chance to get in for the interviews next week. Please get in touch with your teacher to make a time.

Take care
Rick

Remarkable Room 2

We went to the pools and me and mum we went to the pools and then we saw Aunty Fay and Trish and Jay then he went down the slide.
By Dakota

It was cool knocking over the bottles.
It was fun.
By Hamiora

Me and my friends played a board game with my friends.
By Keelan

Yesterday we went to Go 4 It in the hall and we played noodle tag and Snatch the cone and Ten Pin Bowls. They were very very very fun. The girl's name was Coosh and she was very nice.
By Chase

I like playing ten pin bowling.
By Ethan

I did bowling and I hit one.
By Morgan

Yesterday my class went to the hall for Go for it and we played noodle tag. We had to run around in the hall and we had taggers to try to catch us and also we played 10 pin bowling. We had to roll a tennis ball to try and hit the cones over and if we hit them we had to put them on the side and then the other people in our teams will go and have their turn and my friend Grace crashed into another child. The girl's name was Cush.

By Salem

Thank you for playing with us and helping us learn and play nicely. Thank you for helping us with bowling and noodle tag and snatch the cone. We like learning and Cush is helping us.

By Cooper

What I liked at the hall. I liked noodle tag and 10 pin bowling. I thank Cush for doing it with us and next Thursday we are going to do more and I can't wait to do more with Cush because I like Cush I like go for it.

By TeKaihou

Yesterday we went in the hall and we played some games with a girl and her name is Coosh and we had lots of fun.

By Rein

Yesterday we went to Go 4 it. We played tenpin bowling. We lost but it was fun. Cush was our teacher for go for it.

By Taylor

Yesterday me and my class went to go for it. We had to do Go for it in the hall. We all did games. The first game that we played was noodle tag. We played three rounds. Our teacher was a girl, her name was Cush.

The second game was bowling. We had cones to bowl over. There were about 15 cones. We tried to knock over all the cones. There were two teams, the orange team and the yellow team. Sadly the orange team won and then there was an accident. The other game was the last game. We had to be fast. She would say cone or lie down or roll over you had to get the cone. That was it.

By Grace

Yesterday we went to Go4it in the hall. My two favourites were the bowling and noodle tag. Bowling was the best for me and Noodle tag was the second best.

By Mana

Yesterday we went to the hall to do Go4it. My two favourite games in the hall were Noodle tag and Bowling.

By Esther

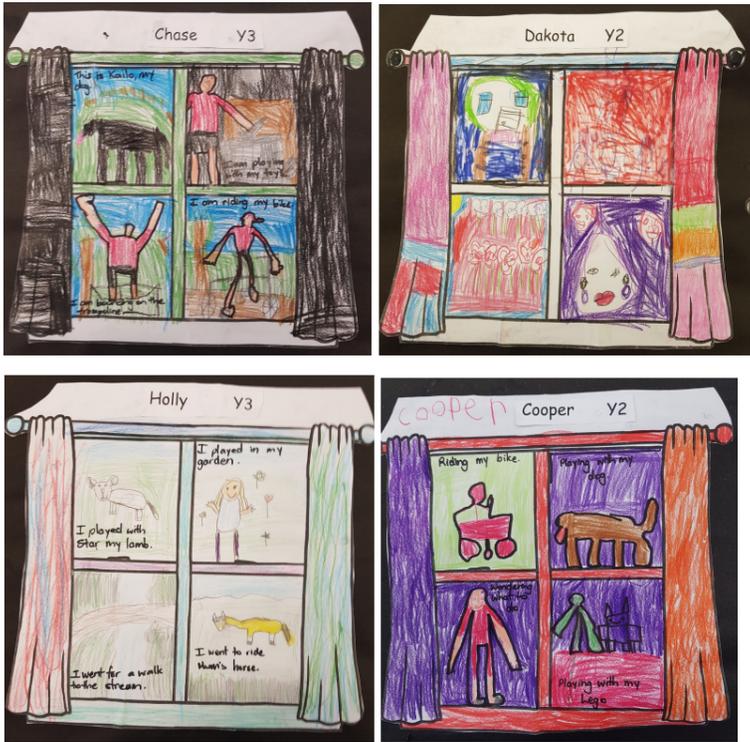

Yesterday we went to the hall and the teacher's name was Cush and we played noodle tag. It was fun and then we played snatch the cone and that was fun too. We played ten pin bowling and we lost.

By Olivia

We went to the hall. When we got there we saw a lady called Cosh. We saw some noodles, cones and a bag full of balls. The first game we played was noodle tag. I was one of the people who got to have the noodles to tag people. Then we did bowling, it was fun. Then we went back across the road and round the field.

Room 2 - Our window to Lockdown Art -
We reflected on some of the things we did during lockdown..

Room 4 is learning how to follow directions to create artistic renderings. We are developing our visual ideas in response to our observations and imagination. We are learning how to convey our own artistic style with the support of another artists' direction.

REREWHAKAAITU RAIDERS

The Rerewhakaaitu Raiders finally kicked off their season on Saturday, with a close game against Eastlake Blaze. The final score was 3-2 to Eastlake, but the Raiders can be proud of a solid first performance, especially considering we have several new players, some who are totally new to the sport, plus some of our athletes are playing up one or even two grades higher than their age. Congratulations to Noah Pacey who was awarded our first player of the day; Noah showed great commitment to the game and really got involved in the match. Luke and Danny were our goal scorers, well done guys and to all the players for showing great determination and teamwork.

This week the Raiders have an early draw, lining up to face the Ngongotaha Cobras at 9 am on field 12A, please assemble by 8.30 for warm up and coach's briefing. I'm expecting this match to be tough, so train hard this week Raiders!

OTONGA LEOPARDS

The Otonga Leopards (8th Grade) also made a solid start to the season, with a narrow loss to the Otonga Lions (2-1) but an emphatic 5-0 win against St Mary's, well done to Taylor Haskew, Chase Roberts and your teammates!
