19th June 2020

Week 10

Principal's message

Parent Interviews

Thank you to all of the parents that attended the parent interviews yesterday. On such a wet and wild night it was great to see such a good turn out of you all. Please feel free to come down to school at any time to discuss your child's progress or to air any concerns that you may have. Children's education is a three way partnership between the school, the parent and the child. Together we can ensure that we are giving the children the best possible chances in life. A special thank you to Ange and Amanda for supplying the afternoon tea for the teachers, much appreciated!

School Photos

School photos are booked for Wednesday the 1st July (last week of school). We will have more details for you next week. I'm booking in a hair cut!

Cross Country

Next Friday we will be having the school cross country which will be at school this year. There is no interschool cross country for 2020 due to the COVID19 virus. I will send out a note next week with all of the details of the cross country. We would love to see all of our parents and community members at school to support the children.

Automatic External Defibrillator

Although it has been here for a while now, a big thank you to the community for getting the Automatic External Defibrillator (AED) installed at Rerewhakaaitu. It has been used on several occasions since it was installed. These machines can help to save lives and the St Johns statistics show why we need an AED:

1. Each year more than **2,000 New Zealanders will suffer a cardiac arrest** outside of hospital
2. For **72% of cardiac arrests a bystander will perform CPR**
3. People may show no warnings or prior symptoms and **12% survive** to hospital discharge following a cardiac arrest
4. Use of an AED within 3-5 min of collapse can increase the **chance of survival by up to 44%**

Sports

Once again I went and watched the Rerewhakaaitu Raiders play soccer last weekend and was thoroughly impressed with their attitude and sportsmanship. If your child is playing sports on the weekends please let me know and I will try to get their game at some time during the season.

Take care and have a great weekend.

Rick :)
