Well done to all of our runners it was such a great day!!

Weetbix TRYathlon - Wednesday 21st June

Third time lucky! 🍀 Due to a possible teacher strike (watch this space), the TRYathlon has been rescheduled to Wednesday 21st June. We apologise for the disruptions, but our priority is for this event to go ahead for our tamariki.

We still need parent helpers for this event. Please let us know if you can help on this day. Briefing will be held at 9.15am, with our school finishing expected around 11.15am.

Our uniquely designed sponsorship programme has helped put over \$1.5 million of resources into more than 400 rural schools in the last fifteen years.

It's very simple. Customers can nominate a participating school to receive 50 cents for every 100L of bulk fuel they have delivered.

Once a participating school reaches their \$1,000 target they can redeem from the variety of technology, sports or literature packages on offer. The more people involved and nominating a school the sooner they will be rewarded.

Fuel for Schools

We would like to take the time to mention who those members of the community are that have contributed to our school, they are listed as follows:

BJ & SJ Jacobs Limited

C & M Brensell Partnership

Gretener Family Trust

ITP Ltd

R & L Contracting Ltd

RH & CM Foster

House Points

Each week we will be giving out a house cup to the house that's in the lead. Students can earn house points by following our school rules, being on task and even when they get caught being awesome.

Our house leaders are:

Tarawera - Connor McMillan & Josh Roberts

Kakaramea - Zoey Mclean & Holly Rogers

Congratulations to our house winner last week..

TERRIFIC TUPU

Week five came around so quickly! Our Tamariki have been enjoying physical education, we have been developing our throwing & catching skills, balancing skills and hand-eye coordination.

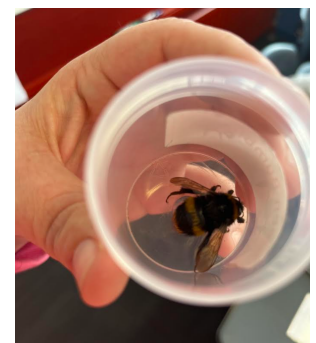

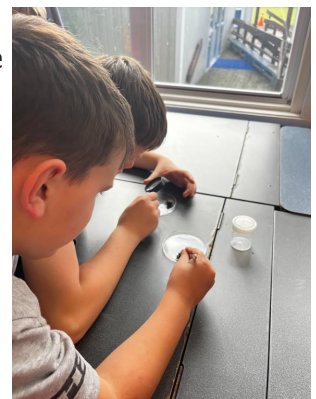

The Tupu Construction Team

Due to all the rain, our tamariki have enjoyed playing in the sand, mud and dirt. They have been calling themselves the Tupu Construction Team. It's lovely to see them all working together, playing and sharing.

MAHURI

This week Mahuri has enjoyed our inquiry afternoons looking at a unit called 'What's the Buzz?' thanks to The House of Science. We have been working in our two House groups investigating and observing the different body parts of bumblebees, learning the scientific names of them. We got to look at a Queen, Male and Worker *Bombus Terrestris* or 'Buff-tailed' bumblebees. We are looking forward to visiting Arataki Honey this Friday, especially now we know a few more things about bees.

RAKAU

Why did Rudolf give umbrella's to his friends?

Because he's a rain-deer!

(Joke credit: Cooper Scott)

On Tuesday Rakau were super excited to receive their chocolates from The House of Fundraising. Please remember if you would like a whole box for \$72 to let one of the students, or Miss Gow know. Students can buy them at school on Monday, Wednesday and Fridays during lunch time for \$2 a bar, please only one bar per student per day, unless you would like them to bring them home. Rakau are super excited to be fundraising for their camp and cannot wait to start selling chocolate this week!

Have an awesome and safe weekend.
