We were really lucky with the weather and managed to get the whole programme run woohoo. Thank you to all the helpers on the day. Great to see so many parents and grandparents on the day. Well done to all the children who ran.

School Holidays

I hope that everyone has a great time with the kids at home over the holidays. It has been an unusual first two terms with the COVID19 lockdown disruptions. However we are looking forward to being back next term firing on all cylinders and back to normal. The teachers will be at school on the first Monday of the holidays for a teacher only day where we will be planning next term's exciting programmes.

School Disco

Thank you to everyone who came to the disco on Wednesday night, you supported our senior students in raising money for their camp at the end of the year. The night was a blast and it was filled with games, prizes and happy memories!

Last week of Term Two

Wow we finally made it to the end of term. Thank you to all the students, staff and parents for being so flexible and patient with the goings on around: lockdown, distance learning, hard pack materials delays, getting devices at home and ensuring our health and hygiene practices were followed to keep us all safe. Great work everyone!!

**HILLARY
OUTDOOR PURSUIT CENTRE**

Our seniors had a blast at Hillary outdoors last week, they got to do many different activities like caving, abseiling, kayaking, bridge jumping, low ropes and rock climbing.

My favourite part of Hillary Outdoors was caving because it was dark and we had to crawl through rocks and water. - *Joshua Williams*

My favourite part was caving because we had to squeeze into tight cracks and it was super dark. - *Griffin Hine*

My favourite was caving too because it was dark and I've never really done this before. We had to squeeze into tight places and it was cool! - *John Watson*

RERE WHAKAATU RAIDERS

Golly what a wet game last Saturday! And an exciting one, finishing up 6-6 to Eastlake Magma. I've really got to commend all the players who turned up and played in the pouring rain - our fabulous Strikers Danny and Frankie scoring 4 and 2 goals respectively, fantastic midfield work from Tamsin and Noah and solid defensive work from Emma and Ryan. You all deserved player of the day but this week it went to Luke who played so impressively and under pressure in goalie - well done! Being depleted in players, we borrowed an opposition player and played 8 aside, so everyone had a lot more work to do!

This week we have a 9 o'clock kick off on 12C versus the ORFC Spartans, which I expect will be another tight match. Please assemble by 8.30 for warm up and coach's briefing.

Meanwhile, Taylor and Chase also played in the pouring rain with their 8th grade Otonga Leopards, with a draw first up followed by a comprehensive win versus St Mary's. Well done to Taylor who scored a great goal and was awarded Player of the Day.
