Preparing students of today for the possibilities of tomorrow

7th August 2020

Week 3

Principal's message

We have had another fun filled week with children going away for the trip to Waimangu Valley and the CBOP Amazing Race. The production is in full swing with the children supporting each other in learning their lines. The teachers also had a PD session this morning with the Go4It people to hone our skills in PE.

Science Roadshow

A reminder that the Science Roadshow is on Wednesday next week. The bus will be leaving at 9.00am for Reporoa Primary so don't be late for school :)

Building update

As you are aware we are about to have rooms 1-4 upgraded and modernised. The contracts have been signed and the MOE has allocated the money so it is ready to go when the builders are free. The work will start approximately mid Term 4 and be finished (hopefully) by the end of February. If you have not yet seen the plans, please come down to school and have a look at the display in the front foyer. While the build is taking place Rooms 1 and 2 will be relocated to the Learning Centre and the Music room, while Room 4 and the Learning Centre will be moving into the Hall. This is a very exciting time for us and we look forward to having the build completed and our classrooms modernised.

Kahui Ako

Last night we hosted the teachers from our Kahui Ako in a sharing and information session. A big thank you to our teachers for sharing their practice with the other schools. We are very lucky at Lake Rerewhakaaitu School to have such an amazing bunch of teachers who are passionate about education and how our children learn.

Reminders

Community Consultation Evening 26th August

There will be a community meeting night on the 26th August for all to attend. This evening is to put forward the ideas and thoughts about our school charter that I have been asking you about this year. I will also talk about our curriculum and get your thoughts on what a localised curriculum will look like. I will give more details as we get closer to the time.

Book Fair

We will be having a Book Fair on the week of 24-28th August (week 6). This will be in the library and open to all community members. Keep an eye out for further details as the time gets closer.

Calf and Pet Day

Notices will go home shortly for all those that will be having calves, lambs/goats or pets. If you are wanting to have a lamb we have organised with Onuku Maori Trust to kindly have a "Loan a Lamb" scheme. You will be able to "loan a lamb" for the next few months, train and care for it, and return it when Calf and Pet Day is over.

Lucky Book Club

Closing date for orders is the 12th September 2020.

Don't forget to book your team for Quiz night 2nd September!!!!
