Week 2

Principals Report

Well it's only the end of week two and we have already had a change to Alert Level 2 for 72 hours. Thank you for your help and support in ensuring that our school met all of the requirements under Alert Level 2. This is a timely reminder that we are still vulnerable to COVID19 and we need to keep vigilant with our social distancing practices and our hygiene. I would like to reassure you that we have a number of measures in place to reduce the risk of Covid-19. We are also prepared for a Level 3 or 4 Alert, but hopefully we will not have to go there!!

A range of general information is available on the [COVID-19 website](#)

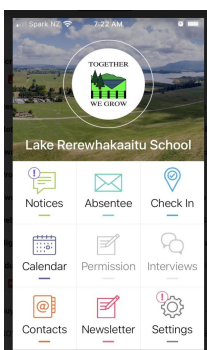

If you have any questions, please ask. Your first point of contact is your child's classroom teacher.

Welcome to our new students:

Hunter Bell, Charlie Schutt, Johannah Allen, Nyvarna Houghton, Addison and Riki-Lee Banfield.

Wacky Hair Day

Today is Wacky Hair Day and we are raising funds to support our friends at Apanui School in Whakatane. Thank you to all who contributed and helped make their experience a little less traumatic.

Reminders

Please download the SKOOL LOOP App.

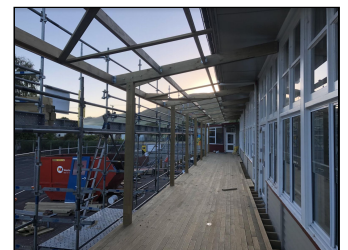

We have set up the SKOOL LOOP app that you will be able to have on your cellphone. To get the app, just go to the app store on your phone and download. This will be one of our main forms of communicating with you, along with our website,

Facebook page, newsletters and emails.

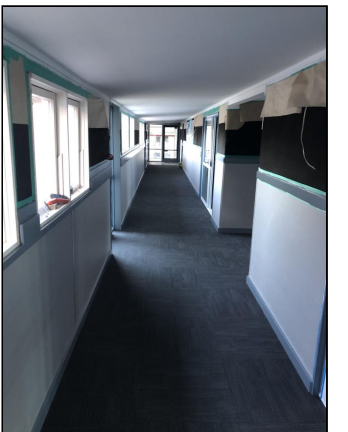

Swimming

Swimming is part of our curriculum along with reading, writing and maths. Can the children please bring their togs everyday as we will be swimming most days, weather permitting. The pool is now being heated as we have had a change in the weather.

Building update

The building renovations are coming along nicely and we can see some big changes. The carpet is down in the hall and rooms. The painters are nearly finished and the deck is looking amazing with the roof to be nailed down shortly. It looks like we will be on track for a start of Term 2 opening (fingers crossed).

OfficeMax Myschool stationery back to school pricing finishes at the end of next week.
