Dear Parents / Caregivers,

We have been advised by the Ministry of Education of a serious pandemic outbreak and have been advised, for health and safety reasons, to **close the school**.

In order to ensure the health and safety of your child/children, we are advising you of the closure of the school until further notice.

Please ensure that your child/children are kept at home until this closure has been lifted.

Regular updates on the situation can be ascertained from the Ministry of Health and Ministry of Education, and the School Facebook and Website.

A distance education plan is being put in place and we will contact all parents about this in the near future. Please use the next two weeks (as the school holidays) to set up schedules for your self isolation and get routines going with you and your children.

You can contact me by email: [principal@lakerere.school.nz](mailto:principal@lakerere.school.nz) if you have any concerns or need further information.

Please stay home, stay safe.

Yours Sincerely,

Rick Whalley

Principal

Lake Rerewhakaaitu School
